A diagram showing the dependencies of the file `testenc_uwb.c`. The central node is a black rectangle labeled `testenc_uwb.c`. Five arrows originate from its right side and point to five separate white rectangular boxes on the right. The boxes are labeled `speex/speex.h`, `stdio.h`, `stdlib.h`, `speex/speex_callbacks.h`, and `math.h` from top to bottom. The arrows are dark blue, with the middle one being a straight line and the others being curved.
